VOL. XIV

GARLAND, UTAH, SATURDAY, AUGUST 16, 1919

No. 29.

## Ladies' Self-Culture Club

Mrs. Horace Welling entertained the Ladies' Self-Culture Club at the home of Mrs. Dixie Shelton, Friday afternoon, August 8th, President Mrs. M. Felsted presiding.

There were thirteen members present with the following named ladies as guests of the hostess: Mesdames G. W. Bradford, R. C. Lowe, J. A. Farnsworth, F. A. Driggs, S. C. Snider, Ada Cook, W. H. Evans, Leslie Grover of Billings, Mont., and Miss Nellie Barnard.

### The Program:

Club Collect—Read by Mrs. C. H. Hales.

Subject—The Life of Eugene Field—Mrs. W. M. Cragun.

Musical selections were played on the Victoria.

The home decorations consisted of garden flowers.

Refreshments were served by the hostess who was assisted by Mrs. J. A. Farnsworth and Mrs. Dixie Shelton.

Club adjourned to meet with Mrs. Geo. O. Nye, August 15th.

MRS. DIXIE SHELTON  
Secretary.

## Confetionery Changes Hands

This week the J. A. Brown Confectionery changed hands, T. D. Davis of Malad being the purchaser. Mr. Davis is an experienced confectionery man and comes here well recommended.

The interior and exterior of the confectionery has been given a thorough remodeling and the Bowen Bros. painters, have made the place look like a new pin.

A splendid stock of confectionery will be carried and a feature will be the handling of Keeley's famous Salt Lake Ice Cream—the best to be had.

Mr. Davis will move his wife and children to Garland to reside in the very near future.

Success to the Davis Confectionery which opens today under the new management and under very favorable conditions.

## Band Concert

The Garland Military Band will give an open-air concert at the cross roads of Main and Factory streets tonight (Saturday). The boys have procured some new music and the concert will be a real musical treat.

### THE HIGH COST OF LIVING.

The President believes that it will take a long time to get prices of foodstuffs and other necessities of life back to normal. Senator Cummins says that the attempts to obliterate the relation between employer and employee should not be tolerated, and he expresses doubt as to whether civilization can survive the termination of this relation. Senator Reed's advice is "not to fan the present price agitation into a conflagration." The Vice President philosophizes "The people on earth should be given an opportunity to cool down and reach something like a normal condition."

## The Death of Geo. Meldrum

George Meldrum of Tremonton, painter and paperhanger, who is well known from one end of the valley to the other, having either painted or hung paper in every home in this great valley, has gone to his reward. He, in company with his sons and a number of men from Tremonton, were seining for fish in Bear River, Monday, near the June Thompson farm, about five miles southeast of Tremonton. Although the reports were circulated that he met death by drowning, Dr. J. A. King and the coroner's jury came to the conclusion that heart failure was the cause of his death. It seems that he waded out into the river with one end of the seine and was seized with an attack of heart failure and fell into the water where his spirit passed from his body. His death occurred at about 8 o'clock Monday evening. The fact that an effort to force the water from his lungs after death proved fruitless, indicated that heart failure was the cause of his death. The undertaking firm of Shaw & Iverson prepared the remains for burial. His sudden passing was a severe blow to his wife and the six children who survive him.

Impressive funeral service were held at the L. D. S. Chapel in Tremonton, Wednesday at 2 o'clock p. m. The services were in charge of Bishop K. H. Fridal, Jr. The opening prayer was offered by Thomas Waldron. Appropriate music was furnished by the Tremonton ward choir and a duette was rendered by Mrs. O. A. Seager and Mrs. O. L. Brough. The speakers were Rev. Allison David Holmgren and Elias Anderson who paid a tribute to the character of deceased and offered words of comfort to the bereaved family. Closing prayer by O. A. Seager. The remains were interred in the Tremonton city cemetery, the grave being dedicated by Bishop K. H. Fridal, Jr.

Deceased was 59 years of age last January.

### APPOINTMENT OF CENSUS SUPERVISORS.

Washington, D. C. August 6, 1919.—The Secretary of Commerce, upon the recommendation of the Director of the Census, has made the following appointments of supervisors of census for the State of Utah:

First District.—George Romney, Jr., Smithfield, Cache Co.

Second District.—Austin P. Miller, Salt Lake City, Salt Lake Co.

ANDREW CARNEGIE, founder of the Carnegie Libraries throughout the world and world-wide philanthropist, went to his eternal reward on Monday of this week, passing peacefully away at his home in Lenox Mass., after a three-day illness of pneumonia. He was 83 years of age, had accumulated a fortune and his desires were that he should die poor, hence he established the Carnegie Endowment Fund which distributed several million dollars throughout the world. Garland boasts of a library to his credit and the credit of this city. He is survived by a wife and one married daughter.

Sunday, August 10th, a fine 10-pound son safely arrived at the home of Mr. and Mrs. H. C. Butler of Garland North. All on the improve.

## Shut Out In 3 to 0

Last Sunday afternoon's base ball game on the local diamond was one of the best of the season, but the local nine got a "shut-out" at the hands of the team from Cornish. The visitors brought with them Mr. Heggi, a coast league pitcher who was responsible for Garland's defeat. Our boys got about two hits from Heggi, and Lowe was close to the leaguer as he only allowed the visitors four hits. The game was a splendid demonstration of ball tossing, the visitors only securing the "three runs" in the last part of the game.

Today (Saturday) another "real league" game is booked on the local diamond at 5 o'clock. It is a contest between Garland's famous nine and Lewiston's Leaguers. Lewiston's team will come prepared for a "hard-fought" contest as the Garland team is to be strengthened by a number of "crack" players from other nines of the county. Lewiston's nine is the champion team of the Cache county league and today's contest promises to be a "hummer". In the evening, a grand ball is booked at the Palace, and the visitors will remain over to get acquainted with Garland's pretty and popular young ladies—the finest in the state. Don't fail to see the ball game and attend the dance. Special music.

### ROOSEVELT MEMORIAL

The Utah State committee for the Roosevelt Memorial association has been completed by William Boyce of New York City president of the organization and includes, beside Col. C. E. Loose of Provo, chairman, W. S. McCornick, treasurer; S. H. Love, David Smith, E. C. Ashton, Chas. W. Nibley, Salt Lake; M. S. Browning, W. H. Wattis, A. P. Binglew, Ogden; Henry Gardner, Spanish Fork, Harvey Cluff, Provo.

The campaign for \$10,000,000 for the Roosevelt Memorial Fund will begin October 20th and close November 27th.

The purpose of the fund is to erect a monument to the memory of Theodore Roosevelt.

Miss Hortense Mathias of Brigham City, was the guest of Mr. and Mrs. Clarence Reeves last week.

## Meeting of G. B. M. A.

The Garland Business Men's Association met in regular session Tuesday evening, at the Council Chambers in the Bank of Garland, President Jos W. Lewis in the chair. Minutes of meeting held June 24th, were read and approved.

Bishop Charles Munns met with the association to discuss the matter of fencing the Garland school grounds, continuing the cement walk to the railroad crossing and putting the sidewalks at the crossing in proper condition starting further that if this matter was attended to be and other residents of that part of the city would either cement or gravel the sidewalks to the city limits. John J. Shumway, member of the Board of Education, reported that the fencing of the school grounds had been passed favorably upon by the school board, but that the Business Men's Association at a previous session had decided that the grounds would look better without a fence and for that reason no action had been taken. Matter of the cement walk further discussed and referred to the School Board. Committee appointed to take up matter of fixing crossing of railroad with the O. S. L. R. R. Co., said company already having this matter under consideration.

J. W. Baker and J. H. Kirkham, representing the Garland Military Band, requested the support of the association in helping the Band out in a financial way. After thoroughly investigating conditions, a motion carried that the Garland Military Band be taken over by the association and guaranteed what financial support said organization needed to keep them together and purchase the instruments at present needed.

Mayor L. W. Preston reported that a committee had met with the O. S. L. R. R. Co. in respect to bettering the present train service via the Malad Valley Branch; also that matter had been referred to the general officers of said company with favorable recommendations.

G. R. Cole reported advertising campaign well under way and was busy at work preparing mailing list.

Motion to adjourn carried.

## Falls Down Cellar Steps

Last Sunday Mrs. D. E. Manning was quite seriously injured by accidentally falling down the cellar steps at the Manning home in the northern part of this city. She fell down a flight of fourteen steps and landed on a kiddy-car at the bottom of the stair, in which she sustained three broken ribs and was otherwise bruised and cut. The accident required the services of Dr. W. M. Cragun and she will be confined to her bed for probably a month or more. Mrs. Manning is the State President of the Relief Society.

## Mutual Program

The following program has been arranged for the meeting of the Garland Mutual association to be held at the ward chapel Sunday (tomorrow) evening:

### Opening exercises.

Solo—Miss Millie Rogers.

Steel Guitar Duette—M. Felsted and Howard Felsted.

Address—J. C. Dewey.

Solo—W. L. Jones.

Closing exercises.

Everybody invited.

### ELEVEN SCHOLLARSHIPS

The University of Utah is willing to give 11 scholarships to the graduates of the Box Elder High School if they now reside in Box Elder County. If there are any such students interested, they should make application to me at once.

Yours truly,

C. H. Skidmore  
Supt.

### LAYTON'S TEAM COMING

Next Saturday and Sunday, August 23rd and 24th, Layton's famous nine comes to Garland, for a two-day series base ball game that promises to be the best ever. The Garland team will be in good practice for the two-day contest after the battle with Lewiston today and base ball fans will be anxious to witness this great two-day contest with Layton.

## Home Medicine

If you have any idea that you may be tubercular do something, and do it right away. First go to a good physician and get real examination and diagnosis. Then follow his advice. He paid thousands of dollars to learn how to tell you those facts and only a foolish person disregard the counsel of the physician in whom he has faith.

Here are a few helps in following up the advice:

(1) Live in the open air as much as possible. Sleep in the open. Walk is the open.

(2) If you must sleep indoors have all the windows open Winter and Summer.

## Band Dance Big Success

The Grand Ball given by the Garland Military Band at the L. D. S. Hall in Tremonton, Wednesday evening of this week, was a most pleasing success, both socially and financially. The hall was crowded with young people from all parts of the valley and the verdict was—A genuine good time. So popular is the Military Band that Tremonton wants the Band to come and give an open-air concert every Wednesday evening, but we hardly think that the proposition will be accepted. A host of Garland's young people attended this grand ball. The music was right up-to-the-minute and everybody certainly enjoyed the dancing party.

### Deweyville

Miss Olive Marble spent a week few days in Salt Lake City last week.

The following people from here were in attendance at the Loveland family reunion held at Bear Lake Wednesday of last week: Mr. and Mrs. Dee Loveland, Mrs. Arvilla Loveland and baby. Mr. and Mrs. Alfred Dewey and children, Mr. and Mrs. Joseph Heusser, son Raymond and daughter Louise, Mrs. Louis Babcock, Mr. and Mrs. Marriener Bowcutt and baby and Mrs. Florence E. Gardner and baby.

News reached this place Monday night, that Mrs. Ella Redford, a farmer resident of Deweyville but now of Logan, has been suddenly called by death. A few weeks ago Mrs. Redford took a disinfective tablet instead of a headache tablet and became affected with spells since taking the tablet. Monday morning she walked up town and did some shopping and came home and ate a hearty dinner. She set to work to peel apples and was seized with a spell which caused her untimely death. She leaves three small children, a mother, two brothers and four sisters.

The Bee-Hive Girls met at the home of Mrs. Pearl G. Dewey Wednesday. The afternoon was spent in reading and in sewing. All present enjoyed themselves.

Mr. and Mrs. J. P. Barnard and children and Mr. and Mrs. J. M. Smout and children are spending the week in Bear Lake.

(3) Eat wholesome foods. Do not eat fried food. It is bad for you.

(4) If you must spit, do so where the sun can strike it. The sun rays kill the germ.

(5) Rest all you can. Then rest some more.

### Doctors Six

The best six doctors anywhere, and no one can deny it—Are Sunshine, Water, Rest and Air, Exercise and Diet.

Those six will gladly you attend, if only you are willing. Your mind they'll cheer, Your ills they'll mend. And charge you not a shilling.

Mrs. D. F. Steele, mother of Mrs. W. M. Cragun, of Ogden, is here on a visit.

Fine clothes catch little fish and buy few W. S. S.
